

Instructions

- Study the lesson carefully before completing this worksheet.
  - Don't just copy the answers from the notes—do your best to answer in your own words
  - When applicable, use Scripture in your answers (you can use the Scripture references in the notes)
1. Read the notes, pp. 36–41. Did you read them?
  2. Read Exodus 21:15, 17. When was this written (history)? To whom was this written (culture)? Should we carry out these commands today? Or is there a principle we should learn and apply?
  3. What is the best commentary on the Bible?
  4. Are there any contradictions in the Bible? Explain your answer.
  5. Fill in the blanks: \_\_\_\_\_ interprets \_\_\_\_\_.
  6. Let's put the principle of "compare Scripture with Scripture" to work practically. Read Matthew 10:1–10, and then Matthew 28:19–20. What differences are there between these passages? Which one applies to us?
  7. Read John 6:48–58 in light of principle number seven. What is Jesus saying and *not* saying here?
  8. Why does the Bible use anthropomorphisms, anthropopathisms, and zoomorphisms?
  9. Read something in your Bible every day. Write down what you've read—
